

Itineraries - Saronic Gulf

For one week charters starting from Athens, we strongly recommend the Saronic itinerary: islands of Aegina, Poros, Hydra, Spetses, and the Peloponnesian ports of Ancient Epidavros, Corfos, Ermioni, Porto Heli. The Saronic Gulf is sheltered against the strong Meltemis of end July- August. For two weeks charters, we may also recommend the Eastern Peloponnesian Coast (Leonidion, Gerakas, Monemvassia, Astros, Nafplio).
